### THIMBLE HOLDER FOR SEWING BASKET

Cut two pieces of felt and stitch together as indicated by dotted line. In one piece make two holes at the top, as shown. Pass a narrow ribbon through the holes, which will be used to tie the thimble to the sewing basket.

The following rhyme may be copied and attached to the gift, if desired.

"If you'll tie me to your basket  
With a pretty red bowknot  
And let your silver thimble  
Dwell within this little cot,  
You'll not have to search the basket  
'Midst the spools of black and white  
To find your sewing thimble  
Which seems always out of sight!"

### BAG, COLLAR AND BELT

**Materials**—Striped jersey— $\frac{5}{8}$  yd. Lining fabric— $\frac{5}{8}$  yd. Crinoline. Cotton sheet wadding. Hooks and eyes. One 5" zipper (for collar). J. & P. Coats or Clark's O.N.T. Mercerized Sewing Thread.

**Bag Pattern**—Mark a rectangle  $8\frac{3}{4}$ " x  $17\frac{1}{2}$ ", see Diagram A.

**Crinoline Interlining Pattern**—See Diagram A and measure off as shown; broken lines indicate the pattern; trace this pattern off using tissue paper, see Diagram B. **Collar Patterns**—The diagrams on squares are guides for enlarging patterns to actual size. Each small square on diagram represents a 1" square in actual size. To make a pattern, use smooth brown paper, pencil and ruler. First note the number of small squares in the length and width of the pattern you wish to make. This tells you the number of inches to allow for the length and the width of your pattern. With ruler, draw a box of the length and width needed. Mark off 1" spaces around all sides of the box. Use ruler to join corresponding marks with straight lines. Use the squares thus made as a guide and draw lines to correspond with those given in the diagram. Following the lines drawn to correspond with the diagram, first cut out the pattern you have made on paper. (The arrow indicates the grain of the fabric.) Then pin the pattern to fabric. The pattern should be pinned so that, when cutting,  $\frac{1}{2}$ " of fabric may be left around all edges for seam allowance, except where the pattern is marked "On Fold." When a section of the pattern is marked "On Fold," that edge must be placed directly on the fold of the fabric, and the fold must not be cut. Be

sure to transfer all marks and instructions found on patterns to the fabric pieces.

**Cutting Directions**—**Bag**—3 pieces, Diagram A (1 of jersey, 1 of lining, 1 of sheet wadding); cut on fold. **Interlining**—1 piece, Diagram B, of crinoline. **Handle**—1 piece of jersey, 5" x 15"; 1 piece of crinoline, 2" x 15". **Handle Loop**—1 piece of jersey,  $3\frac{1}{2}$ " x 6"; 1 piece of crinoline,  $1\frac{1}{4}$ " x 6". ( $\frac{1}{2}$ " seams are allowed.)

**Collar Front**—2 pieces, Pattern No. 1 (1 of jersey, 1 of lining). **Back**—4 pieces, Pattern No. 2 (2 of jersey, 2 of lining). ( $\frac{1}{2}$ " seams must be added to patterns.)

**Belt**—2 pieces (1 of jersey, 1 of lining), each 4" x your waist measure plus 1"; 1 piece of crinoline 3" x length of belt.

**Sewing Directions**—**Bag**—1. Fold bag in half (on fold line), right sides together; stitch side seams. Press seams open. 2. Turn in seam at top edge of bag; press. 3. Matching centers and fold lines, place crinoline interlining to wrong side of lining; baste in place. 4. Place sheet wadding to wrong side of lining (over crinoline). 5. Fold lining in half (on fold line) right sides together; stitch side seams through layers of lining and sheet wadding. Press seams. Turn in seam at top edge of lining; top stitch close to edge. 6. Fold handle strip in half lengthwise, right sides together. Stitch seam, leave ends open. Trim seam, press so that seam is at center on under side. 7. Fold loop strip in same way as for handle. Stitch and press in same way. 8. Slip crinoline interlinings inside handle and handle loop. 9. Lap top edge of bag (on each side) over a raw end of handle, centers matching; baste across

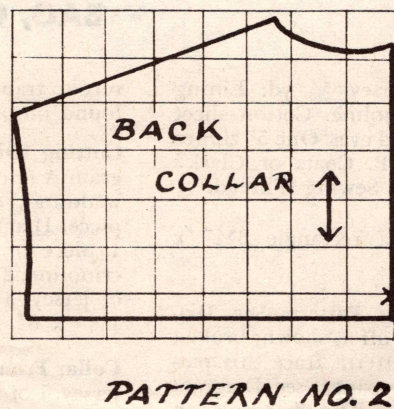

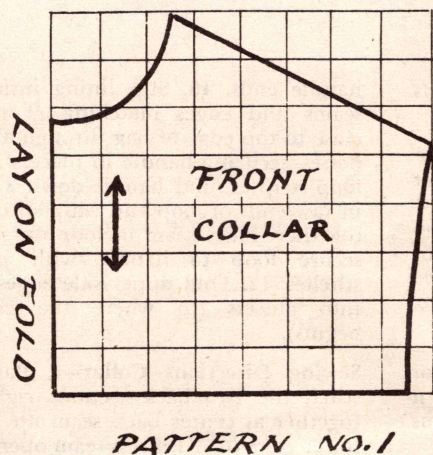

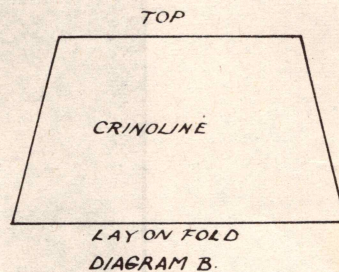

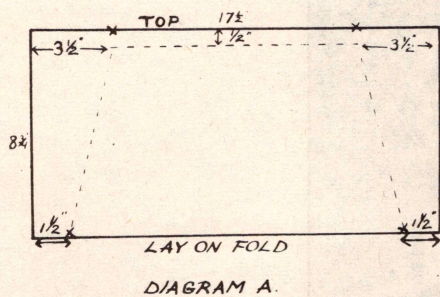

handle ends. 10. Slip lining inside bag, seams and edges matching. Top stitch close to top edge of bag through all thicknesses, securing handle in place. 11. Place loop strip around handle down 2". Turn in raw ends of loop and whip stitch edges together. Place seam of loop on side and secure loop to handle with invisible stitches. 12. Fold upper side edges of bag into gussets (to where the crinoline begins).

**Sewing Directions**—**Collar**—1. Baste and stitch the two back sections right sides together at center back seam up 1" from lower edge (to X). Press seam open. 2. Repeat with back lining pieces. 3. Baste and stitch the front and back jersey sections right sides together at shoulder seams. Press seams open. 4. Repeat with the two lining pieces. 5. Place collar and lining right sides together. Baste and stitch around all outer edges, leaving the back opening free. 6. Trim seam, turn collar to right side through back opening. 7. Turn in back opening edge of jersey even with seam; baste. 8. Place zipper in place, edges of collar meeting at center of zipper. Stitch zipper in place. 9. On wrong side, turn in edges of lining and slip stitch to tape of zipper.

**Sewing Directions**—**Belt**—1. Baste and stitch lining and jersey sections right sides together; leave an opening on one end. Trim seam, turn belt to right side. 2. Slip crinoline inside belt. 3. Turn in raw open edges at end of belt (toward each other); slip stitch edges together. Press. 4. With opening edges even, finish belt ends with hooks and eyes. Belt closing is worn in back.

**ROSETTE EAR MUFFS**

**Materials**—Grosgrain Ribbon (1" wide)—  
3½ yds. Piece of felt in matching color.  
Two powder puffs, 3" in diameter. J. &  
P. Coats or Clark's O.N.T. Mercerized  
Sewing Thread to match.

**Pattern**—Use smooth brown paper, pencil  
and ruler. Mark a circle 3½" in diameter.

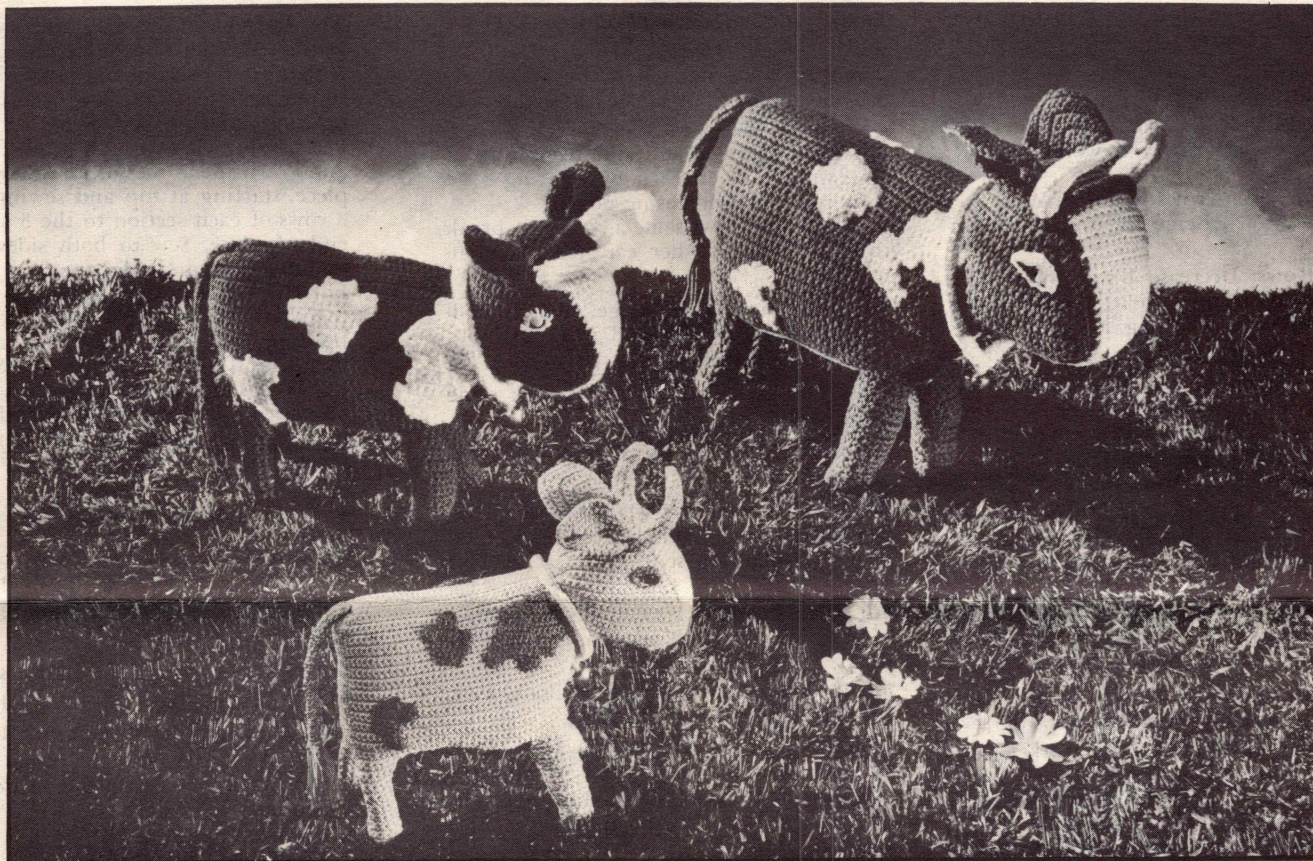

**Cutting Directions**—Ear Muffs — Four  
circles of felt. On two circles, cut two 1"  
long slashes about ¾" each side of center.

**Rosettes**—Cut two pieces of ribbon, each  
1¼ yds. long.

**Sewing Directions**—1. For each muff, place  
a powder puff between a slashed and a  
whole circle; have edges even. Whip stitch  
edges together. 2. Run a gathering stitch  
at one long edge of each ribbon. Pull up  
gathering thread. 3. Place one end of rib-  
bon on edge of whole circle; have ribbon  
extend ¾" over edge. Adjusting gathers,  
whip stitch gathered edge of ribbon in  
place, twisting ribbon into rosette effect  
until rosette is completed at center of  
muff; lap each layer ¼" over preceding  
layer. 4. Slip one end of remaining ribbon  
through slits on one muff; continue to slip  
ribbon through slits on other muff. Adjust  
ear muffs and tie ends under chin or under  
hair.

BUTTERFLY POT HOLDER

From bright colored chintz, cut for each holder, two pieces for outside cover. From outing flannel, or any available heavy material, cut one piece for padding. Baste covers and padding together and bind the edges with a strip of the same chintz  $\frac{3}{4}$ " wide, cut on the bias, or with bias fold. Add a loop made of the bias material, or bias fold, three inches long.

Fold down center and stitch  $\frac{1}{2}$ " in from center as indicated on pattern. This makes the body of the butterfly and also shapes the holder.
